

# TOWN OF FARMVILLE LEAF COLLECTION MAP October 2022

**PLEASE NOTE:**

November 1 through December 22, the Town of Farmville leaf collection crews will bring residents timely and thorough service. The Town of Farmville offers two leaf collection methods, bag your own leaves or the town's vacuum service. Whichever method you choose for leaf collection, please let us serve you best by following some simple guidelines.

Bag your leaves. We will collect them on each Monday when bags are deposited curbside for Monday call-in brush pickup. Just make sure that bagged leaves, boxes and bundles weigh less than 50 pounds each.

\* Vacuum Service. Check the map on the left and dates below for your area and follow these guidelines: rake your leaves to the curb or to the property line near your street, do not rake leaves into the street. Keep leaf piles clear of drainage ditches, pipes and culverts.

Leaves must be out by 7:30 a.m. on the first scheduled day of your collection week!
