For Immediate Release

## **Farmville Police To Monitor Vehicular Traffic on Peery Drive and South Main Street**

FARMVILLE, VA - Based on input from our community regarding truck traffic and speeding on Peery Drive, and the running of Red Lights on South Main Street, Farmville Police have begun traffic initiatives on these streets.

Motorists are reminded that the speed limit on Perry Drive is 25 M.P.H. and delivery trucks are restricted from Williams Street to Meriwood Farm Road. Farmville Police would also like to remind motorists that upon approaching an intersection and observing a yellow light in the distance, it is necessary to immediately prepare to stop, not to try to accelerate through the light.

The Farmville Police Department is committed to ensuring the safety of citizens and visitors alike and asks that you drive safely at all times. Residents with traffic safety concerns are encouraged to call the Farmville Police Department at 434-392-9259.
