

PLEASE NOTE:

You are required to have liability insurance coverage for the day of your rental. This can be done in one of three ways:

1. If you are a homeowner or business owner, civic group, sorority or fraternity, you have liability coverage under your policy. You can send a certificate of insurance along with your completed application, naming the Town of Farmville, 116 North Main Street, Farmville, VA 23901, as the certificate holder. The certificate must show your policy is current, as well as your liability limits; or
2. You can obtain a one day event policy from the insurance agent of your choice; or
3. One day event coverage can be obtained from a company that works with our facilities. You can contact Entertainment Brokers International at 1-800-507-8414 or visit their website at www.onebeaconentertainment.com to obtain a quote and secure coverage. Please reference our code #0501-383 when calling.
