**Overturned Tractor Trailer on Waterworks Road**

*Farmville, VA*-March 29, 2017- At approximately 3pm today a tractor trailer overturned on Waterworks Road in town. The tractor trailer was delivering chemicals to the Town of Farmville water plant when the driver lost control of the vehicle. The driver suffered a minor injury. No other injuries were reported. The chemicals that were being carried by the driver included Delpack and activated carbon, which are not considered hazardous. An external company will clean up the spill, which consisted solely of diesel fuel, this evening.
