Town Holds Parks & Rec Community Meeting

Farmville, VA-April 17, 2017- The Town of Farmville will be hosting a community meeting on Wednesday, April 19, 2017 to discuss the Town's Parks & Recreation study that is currently underway. The meeting will begin at 6:00 p.m. in the Council Chamber of the Town Hall, located at 116 North Main Street.

"The study includes a needs assessment that will help us determine the programs and facilities that need to be updated or added in order to better serve the community," commented Town Manager, Gerry Spates.

Representatives from the external company completing the study, Land Planning & Design, will be gathering input to help determine parks and recreation priorities for our community.

Chris Bolt, Director of Parks & Recreation, stated, "This is a great opportunity for folks to come out and tell us what programs they are interested in and to share their views on how we can make Parks & Rec even better."

The Town urges citizens to attend the meeting and share their ideas. All are welcome, including residents, non-residents and students.
